### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Thomas Jones on June 25<sup>th</sup>, 2007.

The application has been amended as follows:

Claims 4, 10, 18 and 19 are canceled.

### **Reasons for Allowance**

Claim 1 is allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record discloses methods of associating receiver identification information for identifying a receiver of a viewer with a restricted program, when the restricted program is designated by the viewer (see Yoshida [0089]-[0090], viewer sets restriction information through negotiations).

The prior art of record also discloses methods of displaying an individual message specified by an operator at a broadcaster to a specific receiver (See Fichet, abstract, column 3, lines 15-23, 42-48, and column 10, lines 28-30).

However prior art does not teach alone or in combination, the method of a viewer of a receiver, specifying an individual message voluntarily specified by the viewer, the

individual message being included in the view restriction information and being displayed in response to the viewer entering a predetermined password.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
